Warm Greetings

Dear Drs,

I hope this letter finds you in good health and high spirits.

It gives us great pleasure in inviting all the IDA Tamilnadu members to participate and support the upcoming Dental Expo scheduled to take place in Salem on July 20th & 21st 2024. This event aims to bring together dental practitioners, academicians, students and industry experts to showcase the latest advancements and promote networking opportunities in dentistry.

The Dental Expo organized by Tamil Nadu State IDA is a unique opportunity for all the dental stakeholders a win-win platform. This expo will have the chance to explore a wide range of dental products, equipment, and services, keeping you updated with the latest trends and innovations in Dentistry.

We understand the challenges faced by dentists in tier 2 cities and the lack of access to major dental trade fairs and exhibitions. This Expo at Salem aims to bridge the gap by bringing the exhibitors closer to you, offering convenience and ease of access.

Your participation and support are crucial in making this event a resounding success.

We look forward to your active participation and support in making the Dental Expo at Salem a memorable event. Together, let us strengthen the dental community in Tamil Nadu and foster the growth of dental healthcare in the region.
