It gives immense pleasure in inviting you

All at a personal note for the 75th National Conference to be held at Chennai. I am delighted to inform you that we are planning for various special events which will be catering to all groups of dental professionals. Dentistry has evolved recently to a different level.

We the organizing team will take into account all that is needed to show cause the new frontiers to help us understand and take home and start implementing it in our day today practice.

The need to learn and update our self both in skill and knowledge is the challenge we face. IDA plays a pivotal role in fulfilling this challenge at the remotest corner of our country.

To make it more memorable we are focused on a mixture of scientific and hands on training as well as cultural and power packed activities.

Trade-fare is another area with more than three hundred stalls will enable you to have vast experience in direct communication and experience by the national and international team.

Therefore I on behalf of IDA welcome you all in registering in advance rather than having it in the last minute which will enable us to portray various new frontiers to our professional community

Thanking you,

Warm Regards

Dr. J. Baby John
Organizing Chairman
75th Indian Dental Conference

Dear Esteemed Colleagues,

As the Organizing Secretary of the 75th Indian Dental Conference, it is my utmost privilege to extend a warm welcome to each and every one of you. This milestone event not only marks a significant achievement in the field of dentistry but also stands as a testament to our unwavering dedication to excellence and innovation.

Throughout the years, the Indian Dental Conference has served as a platform for the exchange of knowledge, ideas, and experiences among dental professionals from across the nation and beyond. This year, as we gather to celebrate our 75th anniversary, we have curated a program that promises to inspire, educate, and propel our collective mission forward.

Our theme for this year's conference, "Transforming Dentistry: Innovate, Collaborate, Excel," underscores the importance of embracing innovation, fostering collaboration, and striving for excellence in all aspects of our practice. Through a series of enlightening lectures, interactive workshops, and engaging discussions, we aim to explore the latest advancements in dental research, technology, and patient care.

I am particularly excited about the diverse lineup of speakers and presenters who will share their expertise and insights on a wide range of topics, from cutting-edge treatments to practice management strategies. Moreover, the conference will provide ample opportunities for networking and professional development, allowing each participant to forge valuable connections and expand their horizons.

As we embark on this journey together, let us reaffirm our commitment to advancing the field of dentistry and enhancing the oral health and well-being of our communities. Let us seize this opportunity to learn from each other, collaborate for the greater good, and ultimately, make a positive impact on the lives of those we serve.

I extend my heartfelt gratitude to all the organizers, sponsors, speakers, and attendees who have contributed to making this conference a reality. Your dedication and support are truly commendable, and I am confident that together, we will make the 75th Indian Dental Conference an unforgettable and transformative experience.

Thank you once again for your participation, and I look forward to welcoming you to this momentous occasion.

Thanking you,

Warm Regards
